

SHOWTIME@YOUR LIBRARY

Every Branch of the Jackson/Hinds Library System extends a cordial invitation to family members, individual patrons, and the community to enjoy a matinee movie with family and friends every Saturday at 11:00 am (time may vary at some branches).

"Parents are encouraged to come out and spend quality time with their children while enjoying box office movies. Check with your local library branch for movie listings."

Charlotte S. Moman, Assistant Director for Public Service.
